16. (Unclassified - RLB) LEGISLATION Ms. Barbara Grabon, who works under Mr. Jerry Schecter, in charge of legislative matters on the National Security Council Staff, called to inquire as to the status of sources and methods and electronic surveillance legislation. [redacted] and I explained the background on these matters and indicated to her the DCI would be supporting and possibly drafting sources and methods legislation this Congress, but that primary responsibility for electronic surveillance legislation rests with the Department of Justice. (Ms. Grabon's call was a follow-up on the material which [redacted] sent over to Sam Hoskinson yesterday on legislation.)

7. [REDACTED] LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, and told him that Mr. Knoche, ADCI, would have to attend an NSC meeting on Thursday, 27 January, and would not be able to attend the Committee hearing scheduled for that day. I told him that if the Committee did not wish to reschedule the meeting that Bill Wells, DDO, would be able to do it. Miller said there would be no problem in rescheduling the briefing.

25X1

[REDACTED] will follow-up on this.

8. [REDACTED] LIAISON Spoke with Ralph Preston and Charles Snodgrass, House Appropriations Defense Subcommittee staff, concerning the briefings scheduled for the Committee on 3 and 4 February. It was agreed that we would either provide a copy of the prepared statement or brief them orally on the substance of the briefing.

Preston also asked if the Committee staff members who are paid by the Committee but who work as designees of individual members could be granted clearances on a one day basis to attend the 3 and 4 February sessions. I told Preston that I did not see any problem on this but would check and be back in touch.

9. [REDACTED] LIAISON Tom Moore, Senate Select Committee on Intelligence staff, called on behalf of Senator Gary Hart (D., Colo.) and asked if the Agency had any draft legislation concerning the protection of intelligence sources and methods. He said that Mr. Colby had urged Committee action on such legislation at today's hearing and Moore was interested in reviewing our proposal. I told him that Elliot Maxwell, also of the Committee staff, already had our package on this subject but I would send him another copy. We discussed at great length the material we had submitted to OMB and which was cleared by the Department of Justice.
